Welcome to BookBaby and congratulations on taking the first steps on your journey to becoming a published author!

Over the last 12 years, BookBaby has created a robust, professional self-publishing platform, empowering authors around the world to reach their publishing goals. Supporting those efforts is our team of publishing professionals (140 and growing) who have deep experience publishing books in every genre. We work with first-time authors and seasoned professionals alike. Our publishing pros make it easy, enjoyable, and rewarding to produce, publish, and sell your book.

Becoming a published author is a significant accomplishment, but we make it easy. All you need is your finished manuscript, and we can do the rest, including editing, book design, producing your eBooks and audiobooks, and printing and distributing your books around the world as your readership grows.

We've worked hard to build the best self-publishing service company in the industry, and every day we are rewarded by seeing the results of our work expressed in the tears of joy and pure excitement of independent authors when they open that first box of printed books. These are beautiful moments that we are proud to be a part of.

We look forward to working with you as you embark on your publishing journey and for many years to come throughout the life of your title.

SOFTCOVER BOOKS

The proof is in the printing.

If you want to be recognized as a professional author, you need to look the part, right down to your book's quality. Make a book readers won't want to pull their noses out of, with all the paper stocks, cover finishes, and other book printing options that make up the softcover of your dreams.

Unlike most self-publishing companies, we print our own books right here in our factory outside Philadelphia. Our print shop delivers exceptional craftsmanship, with experienced technicians taking pride in every aspect of the book creation process—from checking your files before printing to binding your book together.

Printing with all the trimmings.

- Print in black & white or full-color.
- Choose from many popular trim sizes.
- Order any quantity (minimum of 25 copies).
- Take your pick of premium paper stocks.
- Choose a glossy or matte cover finish.

\$99 Press Proof

Get one final-quality print of your book. It'll run on the same machines with the same paper stock and care that your finished books will be printed on.

Free shipping included.

JOHNNY QUACH, *Master Printer*

"Our color books are printed in our own shop, with HP ElectroInk (not dry toner), on top-tier HP Indigo Presses. It's why we can guarantee your books will have superior printing quality—on every page and across every copy. Your book deserves nothing less."

GINO VASQUEZ, *Conversion Team Leader*

"Authors with coding experience can convert eBooks themselves with third-party software. But for most, turning a manuscript into an eBook is a complex process where it's easy to miss steps, like verifying metadata."

The only guaranteed way to make a professional eBook is with expert help. We'll manually convert, check, and publish your eBook then send you a free proof to approve our work before it's published."

Conversion & Distribution for \$299
OR INCLUDED IN SELF-PUBLISHING PACKAGES

She loves her Kindle. He prefers his iPad. And if you want to reach them both, then your book needs to be formatted for the digital world. eBooks are one of the best ways to reach millions of readers across the map. Sure, there are cheap solutions you can use to make your own. But they involve trusting your hard work to a clunky automated converter, with no guarantee you'll love the results. Many authors end up with odd characters, formatting issues, and no customer support available when they need it.

You deserve better. You deserve a team of publishing professionals that convert and check your eBook so it's guaranteed to work correctly on all popular eReaders, including Kindles, iPads, iPhones, Androids, and PCs.

Includes:

- Hands-on file conversion by experts.
- Free eBook file proof for your approval.
- Global distribution to 60+ stores. *See page 15.*
- Lifetime customer service.

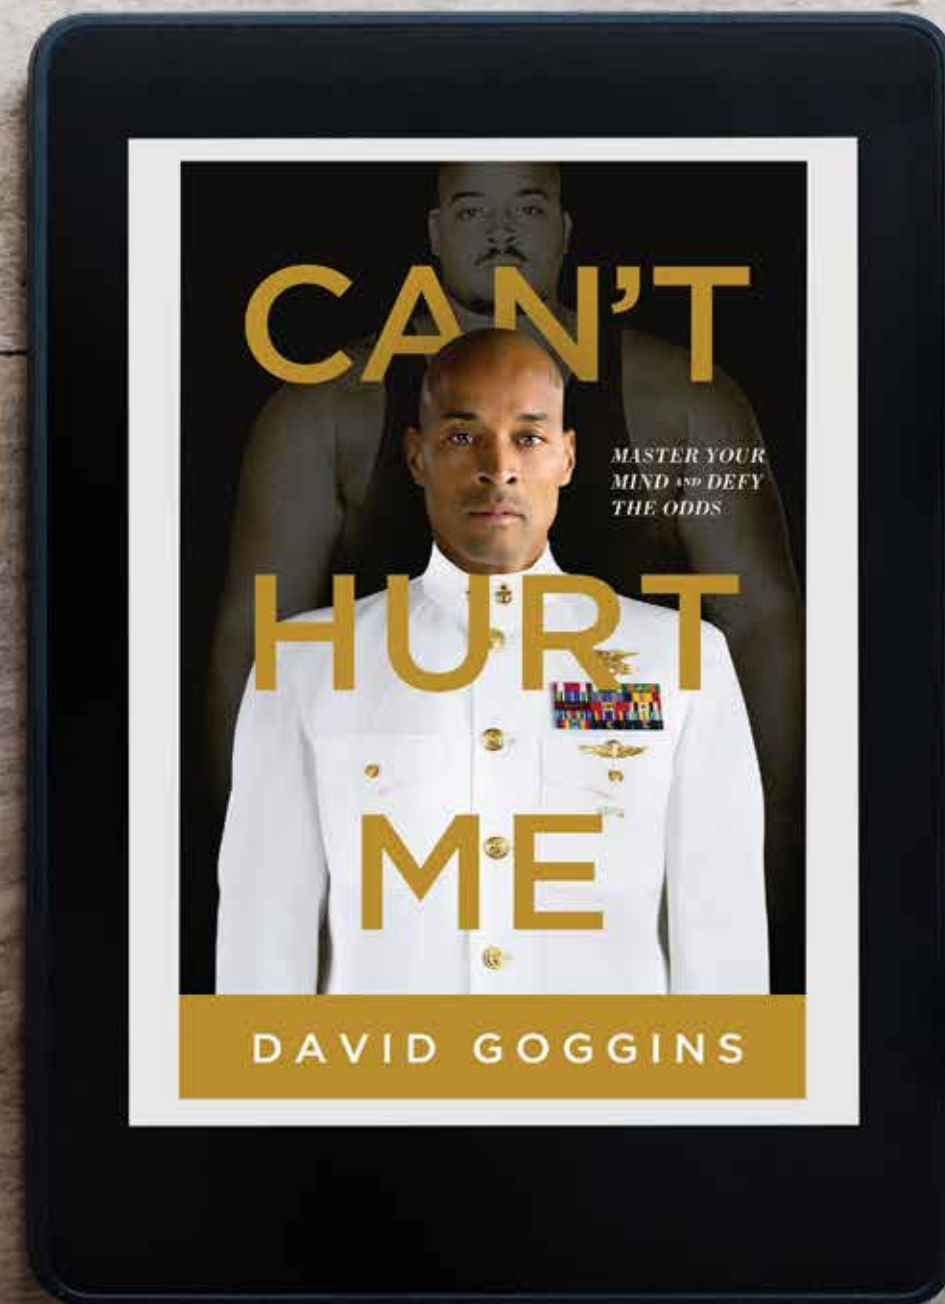

KDP Select for your eBook launch. *Free* for BookBaby authors.

Amazon's KDP Select program offers great promotional benefits, including book giveaways and Kindle Unlimited subscription sales. It's highly recommended for authors as a way to attract interested readers during your book launch. But here's the catch—you must distribute **ONLY** through Amazon's platform during the first 90 days.

BookBaby is the only company that combines Amazon's benefits with global distribution to other leading bookstores. Take advantage of Amazon's features when your book is released, and *then* distribute your book worldwide, all from your BookBaby account. We'll help you manage your global book distribution plan—for free!

BookBaby takes ZERO commission on your net eBook sales from Amazon, Barnes & Noble, and other retailers.

BOOK EDITING

Turn good writing into a great book.

You've spent months—maybe years—perfecting your manuscript. The last thing you want is hard work spoiled by small mistakes. But it's impossible to accurately and objectively review your own work. That's why professional editing has always been an essential part of the publishing process.

New! Spanish Editing

BookBaby Editing Services takes the guesswork out of choosing the right wordsmith for your book. Our team of professional editors has worked on all types of fiction genres and non-fiction topics. Polish your manuscript with the same editors that work with traditionally published authors around the world, including many who land on the *New York Times Best Sellers* list.

What our authors have to say:

"I'm not sure who did the editing on my book but they did an AMAZING job. I went with the line by line editing service and of course there were a lot of things I missed, but the editor caught them."

STANLEY CRAWFORD

"I found the comments and the editor's notes to be very valuable. I understood where the changes needed to be made. In addition, it was nice to find out that I was on course with my work."

BOOK FORMATTING

It's what makes a book a *book*.

Printed book formatting starting at \$399

OR INCLUDED IN SELF-PUBLISHING PACKAGES

Book formatting (also known as typesetting) transforms your manuscript into a professional layout that grabs attention and makes it easy for readers to navigate your book content. It's so ingrained as a publishing standard that readers don't even recognize it—unless it's done poorly or not at all. Book formatting may look simple, but it's a subtle art best trusted to an expert book designer. Otherwise you risk missing details, creating inconsistencies, and being left with an amateurish book that won't hold interest for long.

Expert eBook formatting starting at \$299.

Our experts will help you deliver a delightful reading experience to distributors, reviewers, and readers by custom designing a layout that includes all the elements of a professional book:

- Title pages
- Table of contents
- Chapter headings
- Fonts
- Running headers and footers
- Image placements
- Page numbers
- Line spacing

From there your book is tightened up, page by page, with a focus on matching your overall tone. Once finished, you'll get a free and fully formatted proof to review and approve.

GINA STEWART & AMY EPRIGHT, *BookBaby Designers*

"Part of being a professional author is looking the part. It's our job to handle the details that add up to a book your readers will stick their noses in."

We'll find a typeface that's not only readable but works well within your book genre. If your book has text and visuals, we'll create a page hierarchy that fits all of your content and is still easy-to-follow.

It can be tough to keep track of these things. But that's why you have us. We're here to make sure all the little things add up to a compelling book with a big presentation."

ADS FOR AUTHORS

More than half of Earth's population uses the Internet every day. And with Ads for Authors, you can reach potential readers on the most popular social networks and across their favorite websites.

You don't have to be a marketing maven to take advantage of this service.

All you need is your book and a weekly budget.

Our experts will do it all for you:

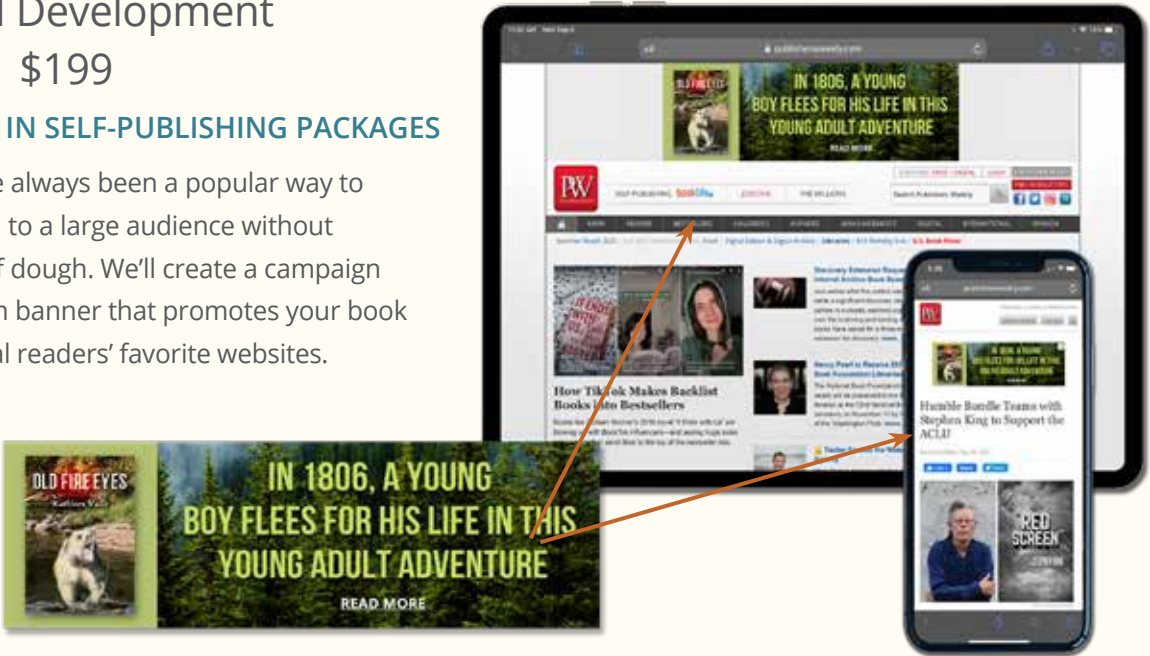

- **Ad Development.** Target the readers most interested in your book.
- **Ad Design.** Create and launch an ad campaign that leads readers to your sales page.

What our authors have to say:

Professional, Competent, and Thorough.

"Excellent customer service! When I first reached out, Darcy answered all my questions and concerns. I used the free editing sample first. The feedback was excellent, so I am sending my chapters for line editing as I complete them."

SOLEAH SADGE

I'm BookBaby for Life!

"I've published 4 books with BookBaby now. I love the consistency, the help, and the easy access to your own bookshop. I've done both ebooks and Paperbacks. Great price for all the wonderful tools you get, plus 25 copies of your new book."

SHERRI A. DUB

Awesome Experience... Thrilled With My Novel

"My experience with BookBaby from start to finish was awesome. Everyone I spoke to from the production team was equally as caring and very helpful with anything I needed. Fabulous company."
